

User Manual-X3

Dear Esteemed Customer,
Thank you for purchasing SimplyVibe X-Series Mini Portable Speakers. In order to operate it correctly, please read this user manual carefully before using it. Your speakers come with a 1 year manufacturer's warranty against defects provided they have not been subjected to abuse or misuse.

- ▲ Keep speaker away from water and moisture, do not get it wet
- ▲ Keep speaker away from any heat source
- ▲ Please adjust to a suitable volume to avoid damaging your ears

FAQ

- Q: I can't find a FM radio station
A: You may be in an environment that is blocking or not able to receive the FM signals
Q: How can I improve the FM frequency under an area of low signal?
A: Please try to use earphones, which acts like an antenna.
Q: I can't play music from the SD card
A: Please make sure to use high quality SD cards and check if the file Format is MP3 formatted.
Q: How do I know if the lithium battery is fully charged?
A: When the green light goes on that's when the battery is fully charged
